Quality Policy Statement

At CICG we are committed to providing
Products and services that meet the needs
And expectations of our interested parties
And fulfil our compliance obligations.

This will be achieved through:

- Providing a framework for the setting of quality objectives;
- Committing to satisfying all applicable requirements of the Quality management system;
- Committing to the continual improvement of the quality management System.

Every CICG employee, within their capacity, is responsible to contribute towards the achievement of the goals defined in this Policy.
