Environmental, Health & Safety Policy Statement

CICG is committed to:

- Providing a safe and incident free workplace for all employees, contractors, visitors and other interested parties;
- The protection of the environment and the prevention of pollution;
- Meeting the needs of interested parties and to fulfil our Health, Safety and Environmental compliance obligations;
- Providing a framework for setting Health, Safety and Environmental Objectives;
- The continual improvement of the Health, Safety and Environmental Management Systems;
- Remain compliant with all applicable legislation and standards and other requirements to which the organisation subscribes;

All employees, contractors, visitors and stakeholders are required to cooperate with the intent of this Policy and applicable company system requirements to ensure their own health and safety and the health and safety of others.
